I trust all went well last Tuesday in our absence. Thanks to Rob and Don for officiating and hope you all enjoyed hearing about Rebekah's mural project in Warrandyte.

Our next meeting will be at Natalies so at least we will be back on familiar territory for our Membership workshop with Ian Ash. Rob Edwards is doing a mighty job trying to find us a permanent meeting venue but he is continually frustrated by the lack of options due to covid and staff shortages in the hospitality industry (along with most other industries). It is frustrating and I feel we are not progressing as a club and will not until we have some continuity. Not much we can do other than go with the flow and keep together as much as possible. Where ever we end up will be a compromise and may not suit all of us. We will just have to accept what we can find.

The end of the Rotary year is looming so our thoughts are starting to head toward changeover night and end of year activities. Watch this space for further information. Next Friday night is a District Presidents Meeting with current and incoming Presidents so there will undoubtedly be some feedback. DG Daryl wishes to Zoom into each club's meeting for a 5 minute talk so we will need to program him in and have our computer set up in such a way that we can all see him. More about that next week.

Not much to tell you – I'm looking forward to Ian's session next week to stimulate our minds about how we might go about finding new members. I hope you are feeling the same way. See you at Natalies on Tuesday, same time as usual. Thanks to Louise for the photos.

A huge shout out to the Op Shop staff who have stepped in to take on extra responsibilities since manager Judith ended up in hospital and now in rehab. The Op Shop has been through the mill this year with it's various mishaps and still the volunteers continue to carry on with immense dedication.

Our club is extremely grateful for the work they do.
