ROMAC

The President,

Rotary Club of Warrandyte Donvale

Dear President, Secretary, Board & Members,

On behalf of ROMAC (Rotary Oceania Medical Aid for Children), I sincerely thank you and the members of your Rotary Club for your recent donation.

Your generosity will help us to change the lives of young children from island nations in the Oceania Region who need lifesaving or dignity restoring surgery they are unable to undergo in their home countries. ROMAC transports these children to hospitals in Australia and New Zealand where the surgery can take place.

Since ROMAC's establishment in 1988 over 540 children have been successfully treated and can now expect to live a normal life.

Your support of ROMAC's vital work is very much appreciated. THANK YOU!

Yours sincerely,

Ian 'D'Arcy' Walsh

(Our club donated \$3000 to ROMAC)
